Mush and milk no longer tastes good to us, and our digestion may be impaired. The best advice we can give to such a person is to tone up the stomach with Dr. Pierce's Golden Medical Discovery. It is nature's most valuable and health-giving agent—unde without the use of alcohol. It contains roots, kerbs and barks, and is the concentration of nature's vitality as found in the fields and woods. This remedy has a history which speaks well for it because it was given to the public by Dr. R. V. Pierce, founder of the Invalids! Hotel and Surgical Institute, at Buffalo, N. V., nearly forty years ago, and has since been sold by furggists in ever increasing quantities. Some medicines, touics or compounds, enjoy a large sale for a few years, then disappear from the public attention, but Dr. Pierce's Golden Medical Discovery has proved such a reliable blood remedy and tonic that it often enjoys the coundence of several generations in a family, and its in consent also are the conviction in a family, and its in consent and a surgical restriction in a family, and its in consent and a surgical restriction in the fields and woods.
